

MatchMaker™ *Live!*

IDENTIFY YOUR ARSENAL

Roll 'em before you own 'em at Storm® / Roto Grip® MatchMaker™ Live. To be victorious in battle, your weaponry must be suited to your strengths. The Storm / Roto Grip MatchMaker program gives you the opportunity to test your artillery before you add it to your arsenal. With balls pre-drilled to specific spans, bowlers of all sizes and skill levels can experience for themselves which balls offer the feel, shape, and action through the pins that will put them in a position of domination. Welcome to triumph.
